## Test Report EN 10204 - 2.2

Certificate No.: C18-10950

Client : Spierings Mobile Cranes  
P.O. No. : INK138412

S.O. No. : R184620-1-1  
P.O. Date : 28-09-2018

Product code : SP 22T  
Fabrication No. : R2465

ID No. : STTO02200220

Description Part	Size / Dimension	Material	Heat No.	Remarks
Hook	22	-	5SJ	

Third party certificate(s):

Remarks:

### We hereby certify that:

- The above mentioned product is in accordance with the requirements of the order.
- The above mentioned product has been inspected in accordance with the specifications and has met the requirements.

### EC :

The undersigned certifies on behalf of his company, that the above mentioned product is correct and that the intended hoisting equipment or application continued can be declared according the regulations of the Machine Directive 2006/42/EC, appendix II-A or II-B, after assembly. Products must not be put in service until the final application has been declared in conformity with the provisions in the 2006/42/EC directive. The assembling, testing and examination was carried out under the supervision by a competent person and certified under DNV MSA R-3288. Our Quality Management System is certified by DNV Business Assurance The Netherlands, certificate No. 132207-2013-AQ-NLD-RvA.
